When it comes to keeping your home comfortable, we've got you covered.

Annual inspections ensure that your home will provide optimal comfort each season.

HVAC MEMBERSHIP

AIR CONDITIONING

- ✓ **Full System Inspection**
To ensure your system is working at peak performance, we check the cooling charge, electrical connections, safety controls, evaporator coils, drain connections, electrical current draw, operating temperatures and thermostat operations

GAS SYSTEMS

- ✓ **Full System Inspection**
To make sure your gas system is running properly, we check the core heat exchanger, vent connector, safety controls, fan operation, burners, temperature rise, and motor bearings

HEAT PUMPS

- ✓ **Full System Inspection**
To ensure your heat pump is working correctly, we inspect the cooling charge, electrical connections, safety controls, evaporator coil, defrost operation, electrical current draw, heater operation and motor bearings

- ✓ 20% discount on any repairs
- ✓ 24-hour priority service
- ✓ Dedicated member phone line
- ✓ Seasonal items offered exclusively at a discount
- ✓ \$50 credit towards replacing your unit*
